

# 2012 Marching Bulldogs Band Camp

Camp Taconic, Hinsdale, MA, August 13 - August 19, 2012

February 2, 2012

Dear Parents and Students,

Come and join in the excitement as we embark on our 2011-2012 season! Plans for our 2012 Band Camp are being finalized. Please review **ALL** the materials enclosed with this letter. Below are some key items that parents will want to know.

## 2012 Band Camp

This year's Band Camp will be held at Camp Taconic, Hinsdale, MA from **Monday, August 13 through Sunday, August 19, 2012.**

Students are to report to Roslyn High School at **7:00 AM SHARP** on Monday, August 13.

Buses will depart immediately after loading. We will be arriving at camp before lunch. We will be taking Coach busses to and from camp.

We will return from Camp Taconic after dinner on Sunday, August 19, and will be arriving at Roslyn High School at **approximately 10:30 PM.**

## About Band Camp

Band Camp is a healthy, educational and well-chaperoned activity. Band Camp is where the Marching Bulldogs learn basic techniques, like how to march, and complex tasks, like marching into various formations while playing an instrument. The main goals of Band Camp are to learn all of the drill for our competitive show and to learn how to execute those drills in synch with each other. The Marching Band show's success is dependent upon the mastering of basic playing and marching techniques. Great attention is given to the music and every student's success. A typical day at camp includes approximately five hours of field rehearsal and three hours of music rehearsals. Ample time is allowed for supervised recreation. The camp is supervised by Marching Band staff and parent chaperones 24 hours a day. There will be one parent chaperone assigned to each cabin; parents will sleep in their designated cabins. There will be two informational meetings for parents who have any questions about camp. It is very important to attend one of these meetings, and is required by new band parents. The two meetings will be scheduled in June and August. Meeting dates will be posted on the band website **roslynband.com.**

The 2012 competition show will be designed **ONLY FOR THOSE STUDENTS ATTENDING CAMP.** Students electing not to go to Band Camp can still perform in the Symphonic Band and/or Wind Ensemble within the school day. In order to be in the marching band you must attend band camp.

## Band Camp Cost

**The cost for Band Camp will be about \$650 (not yet finalized). This includes:** Transportation via coach buses to Camp Taconic, three meals a day, water all day, an afternoon snack and an evening snack, cabin accommodations, exclusive use of Camp Taconic, and a Roslyn Bulldog Band T-Shirt.

**The first Band Camp payment of \$215 is due by March 1, 2012.**

**The second Band Camp payment of \$215 is due by April 1, 2012.**

**The final Band Camp payment of \$220 is due by May 1, 2012.**

**All permission forms, including the notary seal, are due by May 15, 2012.**

**Checks should be made out to Marching Band Fans.**

**For any problems or questions, please contact me (Pat Patterson) at 516-801-5152 or e-mail me at [pattersax@gmail.com](mailto:pattersax@gmail.com)**

## **Marching Bulldogs Information**

The Marching Bulldogs have earned a reputation for excellent and entertaining performances. This unit has appeared at local events, on national television, at sites in the New York Metropolitan area, and on tour. The Marching Bulldogs are comprised of three groups: the Marching Band, the Colorguard, and the Pit. All three groups are vital components of a competitive band. Judges' scores are based on the effective execution of the routines performed by each group. The Colorguard is a team of students who provide the required aesthetics of a competitive show, dancing, using flags and other equipment. Elements of dance and gymnastics add to the Colorguard's representation of each song. The Pit provides the upfront sound required for a competitive show. Pit musicians do not march in drill formations. They set up their instruments at the front of the field and play at the same time as the Marching Band. The pit includes any percussion instruments required for each song, including, but not limited to: xylophones, timpani, marimbas, vibraphone, chimes, assorted percussion instruments, and gongs.

**The annual Summer Band Camp** is the main arena for preparing these three groups to become actively involved with each other in the learning process. The basics of marching and playing techniques are taught during camp and an "esprit de corps" develops which is very important to the success of the unit. In order to participate in the marching band students must attend the entire Band Camp. In addition, musicians in the Marching Band must be scheduled for either the Symphonic Band (no audition) or Wind Ensemble (through audition), which meets during the regular school day. Students who are enrolled in high school orchestra or chorus during the day can also participate in the marching band if they already play a marching band instrument or learn an instrument that the band needs. Exceptions due to scheduling conflicts will be considered by the band director and the assistant principal.

## **Students without experience may join**

New students may audition for the marching band starting on Wednesday nights in march on instruments needed to fill out the instrumentation. Contact Mr. Patterson through e-mail if interested in auditioning.

## **Marching Band Rehearsal Attendance**

During the fall season, rehearsals are held on Wednesday nights from 6:30 to 9:00 pm, and on competition days for an hour or two prior to leaving for the competitions. Attendance at rehearsals and performances is **MANDATORY**. Students who have a conflict with any rehearsal **MUST SUBMIT** a parental note at least **TWO WEEKS** in advance. Students with **ONE ABSENCE** will be given a **WARNING** from the band director. Any additional absences will result in removal from the Marching Band.

## **Marching Band Competition Attendance**

**Band members must attend all competitions and shows. As in a school musical, each position is crucial to the success of the entire unit. The show is custom written for the exact number of people in the band, and even one hole effects each member's drill, which must be modified at the competition, which is not acceptable. Anyone who has a conflict with one of the shows may not be a part of the marching band. In a competitive marching band, every person has a leading role.**

**The Two Summer Rehearsals:** We are requesting that whoever is in town join us for the two pre-band camp rehearsals listed on the schedule.

### **Equipment**

Students will be assigned uniforms, music and other equipment needed for the concert, marching, and/or the jazz bands for the entire school year. See Mr. Patterson if you have any questions.

### **Uniforms**

Band students will be issued all uniform parts and a check-off sheet, which parents will sign. Students are expected to supply black socks and shoes. We will let you know the cost around the first day of school (we buy them in bulk and they usually cost about \$30). Anyone with long hair **MUST** wear it under his/her hat. Extra parts are not brought to the events, so students must make sure that all uniform items are in the garment bag before leaving for each show.

**Students without the FULL uniform will not perform.**

### **Instruments**

All students who play flute, clarinet, alto sax, trumpet or trombone must secure instruments on their own (through a music store rental or purchase). The school will provide tenor saxes, baritone saxes, baritones, french horns, tubas, pit instruments, and percussion.

### **Performance Behavior**

When the Marching Bulldogs appear at a public performance, we are representing the school, the community, and sometimes even the state and country. Proper behavior at public events is essential for maintaining a positive reputation. The uniform must be worn properly. Members should be either in complete uniform or not in uniform at all. In addition, students must be respectful and courteous to all chaperones, adults, and other band members. Proper behavior and a positive attitude must be at their highest levels when the school and the community are represented. Students who jeopardize the performance of the group will receive disciplinary action, which may lead to possible exclusion from the marching band on a temporary or permanent basis.

### **Drugs and Alcohol**

**Any band student found to be under the influence or in possession of drugs or alcohol will be REMOVED from the unit and referred to the high school administration.**

**Teachers reserve the right to check closed drink containers, coolers, or cabins at any time during Band Camp, rehearsals, or on trips.**

### **Bus Regulations**

When the band is traveling to and from an event, ALL SCHOOL FIELD TRIP RULES are in effect and will be enforced, including but not limited to:

- Students may not smoke at any time.
- Students must remain seated while the bus is in motion.
- Students are required to return from field trips, with the group
- Students must be punctual. Bus departures are based on rigid schedules involving many people.
- Students must return on the same bus on which they departed.
- Students must exit the bus out of the front door only.
- Students will be held personally responsible for any damage or vandalism to a bus.

## **Parents, We Encourage You to Get Involved!**

**High School Marching Band is a great activity! Join us by being part of the Marching Band Experience!**

## **Chaperone at Band Camp!**

We need parent chaperones to ensure the safest, most productive band camp experience. Fathers and mothers are needed. Some chaperones may be needed to ride the buses and some can drive up and meet us at the camp. You will not be on duty all the time. Breaks will be scheduled so that you can utilize the camp facilities. All meals and a place to sleep will be provided. Parent chaperones will be sleeping in the student cabins and will therefore not have to pay the cost of band camp.

If you want to chaperone or have any questions about chaperoning at Band Camp please feel free to contact me at

## Band Camp General Information

**No Food or Snacks:** Band members may not have food sent, delivered, or brought to the Roslyn Band Camp. Any dietary needs will be met by the camp kitchen. There is a section on the permission slip for special dietary needs. Snacks are not allowed in the cabins at any time! There will be three meals and an afternoon and night snack provided daily. Students will be able to purchase snacks and drinks at the canteen which will be open nightly. Students must only eat in the cafeteria or the canteen. Camp Taconic has a strict rule of no food in cabins at any time. Water is available around the camp at all times so each student needs to bring a water bottle to fill.

**Bedding:** Twin beds will be available in the cabins, but students must bring bedding. Sleeping bags are recommended. Students must also bring pillows and towels.

**Personal electronics and games:** No video games of any kind are allowed at Band Camp. Although we do allow personal audio players, we STRONGLY DISCOURAGE you from bringing them and you may only use them on the bus ride. Each student should also bring their cell phones, chargers, and an electric fan. At Camp Taconic there is full cell service and an electric outlet over every bed. Jewelry, money (more than reasonable spending money) and expensive personal items should be left home.

**Pack in ONE large suitcase:** Pillow and sleeping bag may be carried separately and placed on the overhead rack inside the bus. We must also pack all of the band's instruments and therefore, cannot accommodate your entire wardrobe!

**Cabins:** Check for any room damage before you occupy your cabin. Report any damage to the chaperone in charge immediately. **ANY DAMAGE FOUND AFTER THIS TIME WILL BE BILLED TO THE STUDENTS OCCUPYING THAT CABIN.** Also, cabins are to be kept **CLEAN**.

## Camp Maintenance and Cleanliness

All students will be held responsible for the cleanliness and maintenance of their living area on the buses, in their cabins, and the common areas of the camp.

### Cabins and Chaperones

All students will be assigned to cabins by grade level. For example, senior boys will be in one cabin, junior boys in another. If a grade must be split due to size it will be separated alphabetically. One adult parent chaperone will be assigned to each cabin and will sleep in that cabin with the students. Boys and girls are NOT ALLOWED, under any circumstances or at any time, to enter a cabin of the opposite sex. This will result in removal from the camp at the parents' expense (see ground rules on page 10).

### Medical Needs at Band Camp

We always have a certified nurse for the entire band camp. Any medical needs can be brought to them the morning we depart for Band Camp. Please send Mr. Patterson an e-mail for any medical needs which will need attention during the week

# Marching Band Costs and Eligibility

## **The Total Cost of Marching Band**

Marching Band Camp is \$650. The Syracuse State Championship will be around \$200. This totals \$850 for the competitive season. These two events are required to be a part of the group. Free and reduced lunch students will be required to pay a percentage of the total trip cost. A non-mandatory trip is tentatively scheduled to the Chick Fil-A Bowl in Atlanta during December Break for between \$1300 and \$1400. This is not a mandatory trip but only people in the Marching Band may participate.

## **Board of Education Approval**

Band Camp and all overnight trips are totally at the discretion of the Board of Education who must approve them. As with all extra-curriculars, the Marching Bands' existence is completely dependent upon the budget as approved by the Roslyn Board of Education.

## **Eligibility for Marching Band**

Any band member who graduates from the Roslyn Middle School Band Program is automatically admitted to the Marching Band on their instrument. Drummers and Colorguard members must audition in the Spring of the prior year, starting on Wednesday nights in March. We have openings for some available instruments to balance our instrumentation for members with no prior experience. Anyone interested must audition for Mr. Patterson, be able to immediately get some notes out on the instrument, and be willing to rent an instrument and take private lessons on that instrument in the Spring of the prior competitive season. The instruments needed and how many of each will be listed on the [roslynband.com](http://roslynband.com) website in February of each year. Like a sports team, a marching band needs a balanced number of each instrument to compete. New members cannot simply join on any instrument.
